

Quality and Clinical Governance Manager

Permanent – Full-Time

Are you an experienced quality and clinical governance professional? Are you looking for a lifestyle change? Does a friendly rural community? Do you live in Kerang or the surrounding areas and have thought you would like to work with Northern District Community Health? This role may be the perfect catalyst to make that change: Northern District Community Health (NDCH).

The Quality & Clinical Governance Manager reports to the General Manager of Community Health. The department is responsible for leading NDCH’s continuous quality improvement and compliance systems. About the role: The Quality and Clinical Governance Manager is the Leader of a small team implementing and monitoring NDCH’s quality and clinical processes and practices to ensure compliance with Victorian and Commonwealth service guidelines and standards.

About This Role

To lead and facilitate the NDCH’s continuous quality improvement and compliance systems (including the NDCH Quality Governance Framework), working with all levels of the organisation to support quality and clinical governance.

About You

- You will have a nationally recognised training in clinical or quality governance.
- You will be experienced and have demonstrated skills in quality and clinical governance, continuous quality improvement, risk management, auditing processes, self-assessment and accreditation against health and community services for both Victorian and Commonwealth service guidelines and standards.
- Experienced and skilled in policy review and development.
- A commitment to fostering a work environment where positivity and engagement thrive.
- Current working with children, police check & NDIS screening check

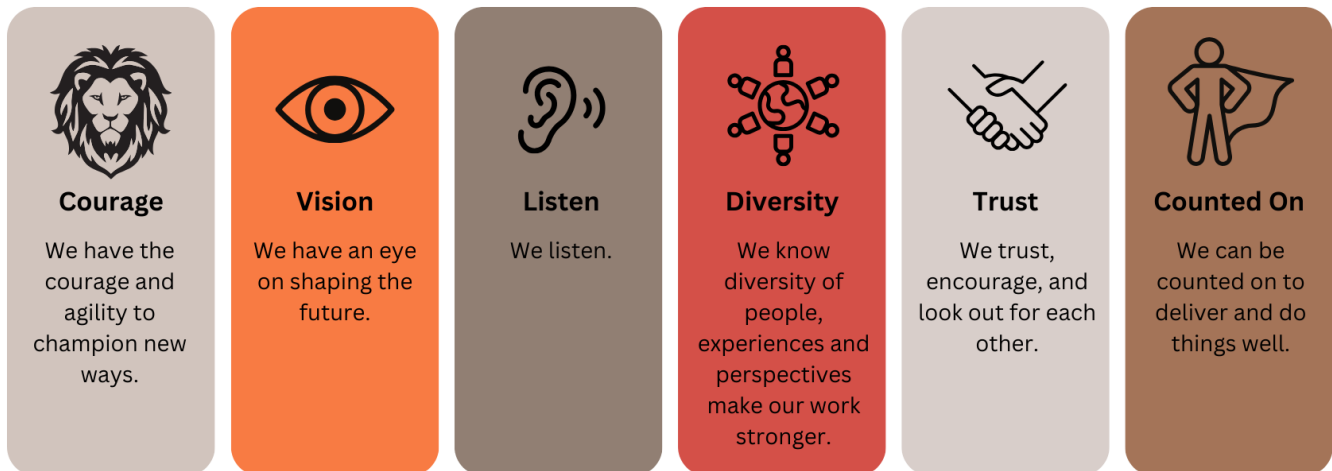

About us

At Northern District Community Health (NDCH), we're not just a workplace; we're a community committed to building healthier, more inclusive rural communities. Our vision drives us forward, guided by values of courage, agility, listening, diversity, trust, and excellence. Here, you'll find more than just a job—you will find a warm and welcoming environment where mental well-being is prioritised, and flexibility is valued. As a not-for-profit organisation, we offer salary packaging and ample opportunities for career growth, supporting your professional development every step of the way. But our impact goes far beyond the office walls. Through our community care services and active involvement in local community groups, we're making a real difference in people's lives every day. And we don't

just talk about improvement; we actively seek feedback through regular surveys, ensuring that every voice is heard and valued. Join us at NDCH, where your work matters, your well-being is a priority, and you're part of a vibrant community dedicated to creating positive change.

Our Values

Our purpose is to improve health and well-being and reduce rural health inequity by working across the social determinants of health. Our values are:
